

Leadership Effectiveness Training

In Brief

Based on the 5 dimensions of the Trust Index™ model this training provides you as a leader with the necessary tools to establish a trust-based workplace culture. With this, you will be able to activate your leadership competencies and bring about real change in your organization!

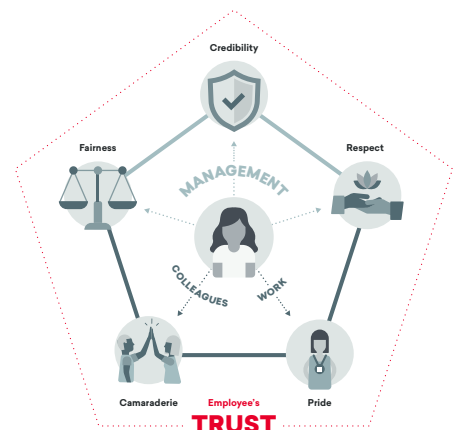

Great Place To Work®

Target audience

The training is aimed at leaders of different hierarchy levels that wish to use their strengths as leaders effectively, who want to reflect on their leadership behavior and generally at curious people who want to practice new leadership skills in the context of today's challenges.

You will ...

- ... learn to create a trust-based workplace culture with your own leadership competencies.
- ... learn and apply motivational techniques and methods of culture development.
- ... increase the innovative power and sense of responsibility of employees through practical approaches.
